Muhammad Mohtishim Siddiqui

DIGITAL CREATOR | WEB, CONTENT & MARKETING

PROFESSIONAL SUMMARY

I'm a digital creator who enjoys working with technology, creativity and online platforms. I work across web development, content creation, video editing, design, SEO and digital marketing, building my skills through personal projects and continuous learning. I have a Computer Science background and I'm currently pursuing a BBIT degree.

EXPERIENCE

Computer Operator

2025 | 1 year

AJM Pharma

- Handled day-to-day computer operating tasks.

YouTube Automation

2023 - Present

Personal Projects

- Run faceless YouTube channels in the technology and product-review space.
- Handle topic research, content planning, scripting, video editing, thumbnails, YouTube SEO and publishing.
- Use automation and AI-assisted workflows to streamline the content process.

PROJECTS

WillingPrompt

Website

Personal Project willingprompt.com

- AI prompt website with free copy-paste prompts for image, video and ChatGPT, plus a prompt generator.
- Responsible for website setup, content management and SEO basics.

Faceless Tech Channels

YouTube

Personal YouTube Project

- Content research, video editing, thumbnail design, SEO and automation workflows for faceless channels.
